

# THERE'LL BE TIME

by Peter Rose & Anne Conlon

There'll be time for joy and laughter and a time to plough the earth;  
There'll be time for song and dancing and a time for giving birth;  
A time for trust and love and a time to embrace;  
Each moment of our lives has its time and its place.

*In a world of changing seasons there'll be smiles, there'll be tears;  
Trust the Lord to choose the seasons; let him lead the way through the years.*

There'll be time for strife and anger and a time for grief and pain;  
There'll be time for loss and yearning and a time to search in vain;  
A time to weep and mourn and a time to embrace;  
Each moment of our lives has its time and its place.

*In a world of changing seasons there'll be smiles, there'll be tears;  
Trust the Lord to choose the seasons; let him lead the way through the years.*

There'll be time for conversation and time when words must cease;  
There'll be time for healing conflict and a time for seeking peace;  
A time to break down walls and a time to embrace;  
Each moment of our lives has its time and its place.

*In a world of changing seasons there'll be smiles, there'll be tears;  
Trust the Lord to choose the seasons; let him lead the way through the years.*
